One full hour in line. Moved all of .4 of a mile. Still 0.6 from even the turn. You better be issuing partial refunds for this incompetence

1 hour 15 minutes in line, moved all of 0.5 total. Still have half a mile to even the entrance. If it's true you hired cops and not legit parking staff, you need to fix that. No wonder there's problems 🙄

Wish I could get there but the line is so bad I'm still a mile away and moving all of 1/10th of a mile every ten+ minutes. At this rate I'll miss half the day.

Whatever is wrong, y'all need to fix it.

The line should never extend to the main road.
